Subject: New Product Evaluation Committee Action on  
Gator Products by Product Services Corp., NP-96-1169

Dear Ms Worthington:

The New Product Evaluation Committee considered the subject product at its May 29, 1997 meeting and agreed to assign Gator Products "APPROVED FOR USAGE" status.

Usage of products which have been evaluated and approved by the committee is encouraged. However, approval does not infer that products will be, or must be, used by Department forces or that the products will be actively promoted by the committee.

We appreciate your interest in marketing products in North Carolina. Please do not hesitate to inform us of other products that may benefit our Department. If you have any questions please feel free to contact me at (919) 250-4128.

Sincerely,

A handwritten signature in black ink, appearing to read "Azam M. Azimi", written over a horizontal line.

Azam M. Azimi, Ph.D., P.E.  
Chairman, New Products Evaluation Committee
