Re: Floor Gator Premium Oil Absorbent

We are using the FLOOR GATOR product in our service shop for over ten months now, and are extremely happy with the performance of Gator products.

Our consumption of clay based floor dry was approximately ten 30 lb bags every two months. We have reduced that to just one bag of Floor Gator every two months.

The time savings and effectiveness in cleaning up the floor is outstanding and it keeps the technicians working on producing productivity instead of down time in shop cleanup.

We totally recommend this outstanding product. Both the Floor Gator and shop wipes have saved us time and money.

Yours truly,
PENTICTON HONDA
